

# Apollo Lanka Hospital Colombo, Sri Lanka

**Client:** Apollo Lanka Corp.  
India

This new medical center is part of the Apollo Hospitals Group in India and Sri Lanka.

**Scope:** 500-bed Hospital, 350,000 sq. ft.  
7,700 sq. ft. Central Plant

The Hospital is a 500 bed multi-specialty tertiary care hospital of 350,000 square feet on a 7 acre site of landscaped garden. The hospital provides state of the art technology including a complete range of the latest diagnostic and high end medical equipment such as a Cath lab with flat panel, MRI and CT scanners. The 11-storey structure has been constructed with a helipad at the top to provide special transport services.
