

Le Meridien Hotel Doha, Qatar

Client: Salah Al Hamed Mana
Doha, Qatar

scope: 50-storey tower
77,500 m²

Le Meridien Hotel at Doha is an elegantly proportioned and remarkable 50-storey tower that provides 77,500 m² of built up area. The slender tower is both bold and graceful, rising 230 m above the ground and provides 249 keys of hotel rooms and suites and 66 serviced apartments within a ground site area of approximately 3,000 m².

Also provided are 2,100 m² of retail and food and beverage facilities and 1,300 m² of ballrooms, function and meeting facilities. The 900 m² LM spa and health club is located on the 31st to 33rd floors and a 500 m² Sky Lounge and Terrace is situated at the top of the building. Both have spectacular views out over the city.
