

Saba Tower Dubai, UAE

Client: Al Hawraa Engineering

Saba Twin Towers, which are Saba Tower 2 and Saba Tower 3, are two identical high-rise towers being developed in the Jumeirah Lake Towers development located opposite the Dubai Marina and next to the Jumeirah Islands. They will be next to the New Dubai Gate (Q2) tower.

Scope: Twin Tower
36-storey each
mixed-use Towers

Saba Twin Towers are each 36-storey residential towers with over 700 freehold apartments from studios to 5-bedroom penthouses. Saba Twin Towers will have amenities including a state-of-the-art health club, a roof top cafe terrace, temperature controlled swimming pool, children's pool, high-speed elevators, covered parking, leisure areas, 24-hour security, and optional nursery, nanny and daycare services.
